## PROJECTS

### Pre-Order Dining App

September 2025 — Present

- Built a **Pre-Order Dining App** to minimize restaurant waiting time by enabling meal booking in advance.
- Identified the **problem of time wastage** in dine-in restaurants due to travel delays and meal preparation.
- **Designed a smooth user flow**: search restaurant > browse menu > place order with ETA > pay online.
- Developed **restaurant dashboard** for staff to receive orders with ETA and prepare meals on time.
- Delivered a **functional prototype** showcasing real-world problem solving with modern web technologies.

### Event Planner WebApp

March 2025 — April 2025

- **Developed a full-stack Event Planner** application to streamline event management, including scheduling, task assignment, and vendor coordination.
- **Implemented guest management with RSVP tracking**, ensuring accurate headcounts and smooth communication.
- **Integrated budget & expense tracking** features to monitor costs and optimize resource allocation.
- **Designed an intuitive, user-friendly dashboard** with modern UI for effortless planning and real-time updates.

### ChatShala – Chatting WebApp

May 2025 — July 2025

- Built a real-time **Chat Application using MERN stack**, enabling one-to-one and group conversations.
- **Integrated WebSocket (Socket.IO) for instant messaging**, ensuring low-latency, real-time communication.
- Implemented **authentication & authorization** (JWT/bcrypt) for secure login and user data protection.
- Designed a clean and **responsive UI** with features like **online status, message timestamps, and notifications**.

---

## TECHNICAL SKILLS

**Web Development:** MERN Stack Development, Web Architecture, API Integration

**Front-End Coding:** HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap

**Backend Technologies:** Node.js, Express.js, APIs

**Programming:** Java, C++, Python

**Core CS:** Data Structures & Algorithms (DSA)

---

## COURSES CERTIFICATES

Mobile App Development by FLUTTER, SAGE

July 2024

Generative AI, SAGE

June 2025

C++, Winter School

October 2023

---

## EDUCATION

10th

April 2018 — July 2019

Sacred Heart Centenary Academy, Orai  
ICSE Board- **85.2%**

12th

April 2020 — June 2021

BKD Aldrich Public School, Orai  
CBSE Board- **75.2%**

BTECH-CSIT

November 2022 — July 2026

SIRT College, BHOPAL  
RGPV University CGPA-6.1
